

The Trump Administration Is Supporting the People of South Dakota

“We have the best doctors, the best military leaders, and the best logistics professionals anywhere in the world. And we’re orchestrating a massive Federal response unlike anything our country has ever seen.”

– President Donald J. Trump

Overview: Response and recovery efforts are locally executed, State managed, and Federally supported. Successful emergency management requires nationwide cooperation and unity of effort, combining the strength and ingenuity of our citizens and private sector with a sweeping, all-inclusive, and whole-of-government response. The below is a partial overview of Federal assistance provided to the State of South Dakota and the people of South Dakota to combat the Novel Coronavirus (COVID-19). The information is bolstered by hundreds of additional actions by the Federal government to help the people of South Dakota. Implementation of the CARES Act is ongoing and will also bring additional support to South Dakota. President Donald J. Trump and Vice President Mike Pence have appreciated the strong State-Federal partnership with Governor Kristi Noem.

Supportive Actions by President Donald J. Trump:

- **President Trump Declares a National Emergency:** On March 13, President Trump [declared](#) a national emergency concerning COVID-19. The emergency declaration authorized direct Federal assistance, temporary facilities, commodities, equipment, and emergency operation costs for all States, including South Dakota, pursuant to section 501(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act.
- **South Dakota’s Major Disaster Declaration:** On April 2, Governor Noem submitted a major disaster declaration request to the Federal Emergency Management Agency (FEMA). On April 5, President Trump [approved](#) the request declaring a major disaster in the State of South Dakota and ordered Federal assistance to supplement State, local, and tribal recovery efforts in the areas affected by COVID-19. For the first time in our Nation’s history, every State and territory has a presidential disaster declaration at the same time.
- **Historic Economic Relief:** On April 24, President Trump [signed](#) the *Paycheck Protection Program and Health Care Enhancement Act* into law. The law provides further unprecedented economic relief to American citizens, small businesses, workers, healthcare providers, and State, local, and tribal governments and builds on the *Coronavirus Aid, Relief, and Economic Security (CARES) Act*, *Families First Coronavirus Response Act*, and the *Coronavirus Preparedness and Response Supplemental Appropriation*. Testing, Resource & Logistics Support: FEMA is working with the U.S. Department of Health & Human Services (HHS), other Federal agencies, and private sector partners, to produce, allocate, and distribute key resources to South Dakota. Most notably, these include personal protective equipment (PPE), testing supplies, ventilators, and the expedition of critical supplies from overseas to various U.S. locations.

- HHS, the Centers for Disaster Control and Prevention (CDC), and the Food and Drug Administration (FDA), are providing unprecedented regulatory flexibilities, resources, and guidance to expand the availability of testing and to assist South Dakota and States across the country in scaling testing. Learn more from the CDC [here](#) and FDA [here](#). In addition, the CARES Act and other supplemental disbursements, alongside FEMA resources, are important avenues for States to scale testing.
- In support of the White House Coronavirus Task Force, FEMA and HHS are coordinating a whole-of-America approach to source PPE, ventilators, testing supplies, and other critical resources for States, Tribes, and Territories. The effort is led by Rear Admiral John Polowczyk of the Joint Chiefs of Staff. For more on the Supply Chain Stabilization Task Force, read more [here](#).
- The Trump Administration is coordinating [Project Air Bridge](#), a coordinated public-private partnership designed to expedite the movement of critical supplies from other countries to the United States. The below table shows recently delivered supplies to South Dakota through various sources, including Project Air Bridge efforts, to bolster private sector supply chains.

PPE	4/18 – 4/24	Total (YTD)
N-95 Masks	5,300	192,400
Surgical & Procedural Masks	134,800	987,200
Eye & Face Shields	1,600	30,100
Isolation & Surgical Gowns	40,700	587,300
Surgical & Exam Gloves	2,250,400	32,542,600

- In addition to the Project Air Bridge efforts, as of April 28, FEMA delivered 76,115 N-95 masks, 180,827 surgical masks, 31,313 medical gowns, 1,895 coveralls, 38,313 face shields, and 204,886 gloves from the Strategic National Stockpile to South Dakota.
- As of April 28, FEMA obligated \$178,900 for COVID-19 response efforts in South Dakota and will continue to obligate additional dollars per validated State requests.
